Roras's Letter

Come on, it won't be that bad. Rigel may be paranoid, but she's as dumb as a mammoth! Body hair like one too!

I'm just saying if we can get into that treasure room we would be set! We could just take the money and head north to catch a ship. I know a guy, whose cousin knows a guy, that could get us set up with some pirates in Hammerfell. And in the meantime we could live high on that money for months!
