To the Sons of Skyrim,

Who I am is less important than what I know - suffice it to say that I am no friend to the imperials.

Through various means it has come to my attention that <Alias=Steward> had a rather embarrassing indiscretion in <Alias.PronounPos=Steward> past. I also happen to know that <Alias.Pronoun=Steward> is foolishly keeping evidence of this affair.

Should you locate that evidence, you might be able to "persuade" <Alias.PronounObj> to help your fight in <Alias=Hold>. If forced to chose between the Empire or <Alias.PronounRef=Steward>, <Alias.Pronoun=Steward> will most assuredly chose the latter.

Sincerely yours,

A True Nord
