Pirate King of the Abecean

Velehk Sain
Pirate King of the Abecean

Poke out your eyes lad, pour lead in your ears
Those sails portend madness, dark horror and fear
Abandon your lasses, your ship and your gold

Blood on the water, Velehk this way comes

A noose from the rigging, a plank from boards
Do yourself in, don't try at crossing swords
Mercy's not a shipmate among that heartless horde

Blood on the water, the Pirate King comes

Stout Empire Galleon or Swift Elven Skiff
They every one splinter and just as soon sink
But only after crew and captain have their fun

Blood on the water, your days are done

He'll tear your gut and he'll eat your heart raw
His eyes gleam red, his heart will never thaw
Mark well these words, you quaking babes

Blood on the water follows Captain Velehk Sain
