Hastily Scribbled Note

My scribing tools are lost, and I've no time for a lengthy entry, anyway. It's taken weeks, but I've finally found it! The Sanctuary of the Dark Brotherhood! One of them, anyway. In Skyrim, under a forest road.

I've been watching them, the assassins. Their comings and goings. The fools have no idea they're being observed. My next goal is to somehow make it past the sinister black door, into the Sanctuary itself.

I don't have time to even think about the dangers. The truth must be known!
