Until Next Time

Sweet Haelga,

Last night was the most wonderful night of my life. The things you showed me... the things we did... I could never have dreamt that it was possible. Who even knew that someone could manipulate their body in that manner while wearing Daedric armor boots? You are a true master of the Dibellan Arts, my love... a credit to your religion. Perhaps we'll meet again soon but next time, allow me to bring the trout.

Your Secret Lover

Until Next Time
