Heretical Thoughts

Heretical Thoughts

ealotry is an abomination that must be wiped from the Shivering Isles. We cannot suffer their beliefs to spread to even one more soul. They name us Heretics for our lack of belief. We gladly accept the name, and will make a honorable one.

It is not heresy to speak truth. It is not heresy to speak out against an unjust lord. It is not heresy to take arms and action in defense of true belief. We are the so-called Heretics of the Shivering Isles, but we do not speak heresy. We speak the truth.

Our Lord, Sheogorath, is but a man. He is only flesh and blood, not a god, and certainly not a Daedric Prince. There are no princes in the realms of the Daedra, only vile servitors such as the Hungers that we summon to do our bidding.

Sheogorath the False is a mad despot. Years of dabbling in foul magic and consorting with Daedra have driven him mad. He is not a fit ruler, let alone divine. He perverts the teachings of Arden-Sul, He Who Gave His Heart's Blood.

When the truth of our cause is common knowledge among the people, we will drive him from New Sheoth and put that cesspool to the sword. His four limbs will be scattered to the four winds. His head will rest upon the Hill of Suicides and his heart shall be burnt in the flames of freedom. His entrails shall be fed to the dogs.

We will make all the people of the Shivering Isles wear the robes of the Heretics. By these robes we know each other to be true non-believers. The people shall return to the wilderness and live among the wild things, as we do. They will see the wisdom and purity of the life we lead and they will hail us as saviors.
