The Journal of Ralis Sedarys - Volume 19

The Journal of Ralis Sedarys, Volume 19

Moving on to Solstheim next, chasing after vague rumors of this Kolbjorn Barrow. My patron seems confident we can find the Relics of Ahzidal out here. I'm a bit skeptical, but so long as he pays well, I'll dig wherever the old coot likes.

Initial prospects look poor, to say the least. I was sure I had my map wrong at first, until it became clear that the place had just been lost to the ash. I'll dig out as much as I can, maybe see if I can recruit some of the local residents to help me out. I haven't seen anyone since I got out of Raven Rock, but I keep hearing conversations and whispers around me, so I just need to track them down.
