The Song of Pelinal

Volume 8: On His Revelation at the Death of the Al-Esh

[Editor's Note: Volumes 1-6 are taken from the so-called Reman Manuscript located in the Imperial Library. It is a transcription of older fragments collected by an unknown scholar of the early Second Era. Beyond this, little is known of the original sources of these fragments, some of which appear to be from the same period (perhaps even from the same manuscript). But, as no scholarly consensus yet exists on dating these six fragments, no opinions will be offered here.]
