Thalmor Orders

Agent Sanyon,

In response to your report dated 22nd Morning Star 401, your request for an expeditionary force is hereby denied.

Sanyon, this is the seventh report you have filed this month, and not one of your leads - not one! - has turned up so much as a shred of evidence that a Talos shrine exists in the Lake Ilinalta region. No prisoners. No documents. Nothing!

Our forces are stretched thin enough as it is, and I have better missions - better agents - to assign them to. If you feel so sure of your informant, investigate this yourself. Come back with proof. Or not at all.

By my hand and seal,
Elenwen
