Markarth Home Decorating Guide

MARKARTH

Home Decorating Guide

Welcome to your new home!

This decorating guide provides a list of packages that you can purchase from the Steward of the hold. Each package contains furnishings and decor for a specific part of your house, and these will be delivered and placed for you upon purchase.

All you need to do is provide the gold, and the Steward will take care of the rest. The next time that you visit your home after making your purchases, you will see your new decorations and furnishings in place.

Entrance Hall

When you purchase this package, floor mats and decorative planters will be added to the hallway just beyond the front door.

Living Room

This package fills out the home's large, central room with a large dining table, several smaller tables, shelves, a display case and other decor.

Sleeping Quarters

In addition to improved furnishings and decor for your master bedroom, this package also adds a small dining area between the guest and master bedroom, near the rear of the house.

Alchemy Laboratory

This package will furnish one the small rooms that adjoin the living room with the implements of an alchemist's laboratory. This includes an alchemy table, several shelves and added decor.

Children's Bedroom

This package supplies your home with everything needed for up to two children,

including beds, a wardrobe, dresser, and other furnishings. Note that this package will *replace* your Alchemy Laboratory, and vice-versa.

Enchanting Laboratory

This package adds furniture and decor for a small enchanting laboratory adjoining the living room. This includes an enchanting table, shelves and decor.
