Regarding Your Loss

Lady Maven Black-Briar,

I've made inquiries into the loss of your mead shipment to Cyrodiil, and I've come to the conclusion that they were waylaid by a group of mercenaries under the employ of the Empire. According to my sources, these mercenaries were not acting under orders and simply attacked the caravan for supplies. I've forwarded a request for compensation on your behalf to the Imperial Council and the mercenaries in question have already been dealt with accordingly. Again, I wish to extend my deepest apologies for this unfortunate mishap and I assure you that any future shipments into our nation will be met at the border by an Imperial patrol and personally escorted to its final destination.
