An Apology

Bersi,

I got your last request, but there's no way I'm going near Shroud Hearth Barrow. I know that the trinkets from the Nordic Barrows sell quite well, but it isn't worth getting killed. You probably think I'm crazy, but I'm certain that the place is haunted and I refuse to become another victim of... whatever lives there. Sorry, old friend.

Wilhelm
Vilemyr Inn, Ivarstead
