Lover's Note

Voriiel,

If you've found this, then you've already found my bones too. The guards are too close for me to run. I'm sorry. I wish we could have made it together, but the loot we nabbed from that caravan is well hidden. Find the chest beneath the roots of a tree called the Madancha in this valley and go. Start a new life, and remember me.

Run fast, my love.
Khaled
